

# 3D Prenatal Ultrasounds

**CHI St. Alexius Health Dickinson offers 3D ultrasound imaging of your baby!** Registered Ultrasound Technologists (ARDMS) perform these exams, so you can be assured that the technologist is qualified and will strive to get quality images for you.

**Package:**

- Need to have had a routine 20 week ultrasound\*
- Price: \$265, paid at time of appointment
- Should be 20 or more weeks into pregnancy
- Plan for 30 minutes of scanning
- Will receive up to 4 black and white prints
- Will receive images on the CD

*\*3D ultrasound is not meant to replace routine 2D ultrasounds. Every mother should have a standard 2D ultrasound to check for any abnormalities prior to scheduling an appointment for a 3D ultrasound.*

**To schedule your  
3D ultrasound,  
call the Radiology  
department at  
701-456-4509**

No physician's  
order is necessary.
