**Meet our Local
Orthopedics
Team**

With over 50 years of subspecialty experience, find the Orthopaedic provider that is right for you, right here in Williston.

We are proud to provide the quality care you need close to home.

Dr. Gregory A. Brown, MD, PHD

A fellowship-trained sports medicine surgeon with over 25 years of experience.

Dr. Brown specializes in hip and knee replacement surgery as well as fracture surgery.

Dr. Brown also has a Medical Engineering PHD in knee biomechanics from MIT and has earned Clinic Research Awards for total hip replacements and total knee replacements.

He is board certified by the American Board of Orthopaedic Surgery and Sports Medicine (American Board of Orthopaedic Surgery) and is also an examiner of the American Board of Orthopaedic Surgery.

Dr. Greg Rennirt, MD

A fellowship-trained sports medicine surgeon with over 26 years of experience.

Dr. Rennirt specializes in shoulder, knee and sports medicine surgery. He is board certified by the American Board of Orthopaedic Surgery and a former Team Physician for a professional sports team.

Dr. Rennirt has also previously been an Orthopaedic Surgery Faculty Member at the University of Louisville.

Cherise Norby, APRN, FNP

Williston native, Cherise has been providing care in the community first as an RN for 16 years, then in family practice at CHC for 7 years after she pursued a Master's Degree in Nursing. Now a nurse practitioner in a collaborative orthopedic clinic, she not only provides management of musculoskeletal complaints in the clinic, she also assists the surgeons in the operating room.

Cherise specializes in pre-operative optimization which takes place prior to joint replacement surgery to reduce the risk of complications, postsurgical care, as well as osteoporosis evaluation and treatment.

Cherise is a board certified Nurse Practitioner (American Nurses Credentialing Center) and a certified surgical first assistant (NIFA).
